

## Basics of OneDrive

Learn more about using OneDrive, the cloud-based storage service from Microsoft.

Information from Microsoft Support:

## OneDrive Help and Learning from Office Support:

https://support.office.com/en-us/onedrive

- OneDrive Storage Plans
- How to guides:
  - Sharing files and folders
  - Using Personal Vault
  - Using Office for the web in OneDrive
    - Word Documents
    - Excel Workbooks
    - PowerPoint Presentations

## Online Tutorials and Resources

- Testing & Education Reference Center: Available with your Upper Arlington Public Library card number, from <a href="http://databases.ualibrary.org">http://databases.ualibrary.org</a>. Though Testing & Education Reference Center does not offer OneDrive tutorials, it does offer Microsoft tutorials including Excel, PowerPoint, and Word which will help you familiarize yourself with program layouts, such as the Ribbon and its commands.
